

2010: CoCAM resolution regarding Continuing Education

(As approved by SWC Annual Meeting, April 24, 2010)

The Committee on Church and Ministry (CoCAM), with affirmation from the Southwest Conference Board of Directors, calls upon all active clergy (that is, all licensed, ordained, and commissioned clergy who are not retired) to meet a minimum annual goal of 15 hours of continuing education; and to report to CoCAM in their Annual Information Review how the 15 hours were used.
