

Clean-up and Hygiene Kits

Donating Funds to Create Kits

We have funding for kits. I would encourage giving for Harvey which allows us to use for the greatest need (kits or other). That said, if an individual or church wants to donate funds specifically for kits, please make a check out to the United Church of Christ and put Disaster Ministries Material Aid in the memo.

Apply for a Matching Grant (\$250) To Assemble Kits

If you are building and sending kits, We encourage you to apply for the matching \$250 Grant at the link below.

How to Make and Where to Send Kits

Please see the notes below regarding what items go in the kits. Kits are needed and it is an opportunity for congregations and individuals to experience a “hands-on” opportunity to send disaster relief. Kits are sent to the Church Worldwide Services depot for distribution to the disaster areas. There is a processing fees of \$2-\$3 and we must deliver our kits to the distribution Center. That said, please contact Phil Shea to assist you with distribution.
